Guideline for the addition of the land of origin on the combined logo

- Click on the file JPG in the download area on our homepage to open it.
- You can then download the logo with a click on the right mouse button (for instance on your desktop).
- Now open this file which you have saved just.
- The logo will now open in the program "Paint".

		1 direct		
Start Ansicht	L Zuschneiden L Größe ändern Auswählen → Drehen →			With this button you can create a description field in which you can insert the country of origin.
Zwischenablage	Bild	Tools		Formen
		Text Fügen S	ie Text im B	ild ein.
Einfügen	Arial • 22 • F K U abe	Durchsichtig	1 Far	With this button the description field gets transparent – you can only see the text now.
AT-BIO-301 EU/Non-EU-A	griculture		field is o	n as the description created, you can ne country of origin.
Start Ansicht Start Ansicht Arial Einfügen Kopieren Zwischenablage	ABG_KombiLogo_hoch_bl Text F K U abc Schriftart Hintergru	ichtig itia nd	whie size	v a toolbar appears, in ch you can change the e and the type of ering.

- Finally, save your own adapted logo.
